School-Parent Compact
2020-2021 School Year
May 12, 2020

Dear Parent/Guardian,

JOINTLY DEVELOPED

Edward Gideon Elementary School, and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Every Student Succeeds Act (ESSA) agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards. A parent input meeting was held on May 12, 2020 where parents were invited to give input into the development of this School Parent Compact.

To understand how working together can benefit your child, it is first important to understand the district's and school's goals for student academic achievement.

To help your child meet the district and school goals, the school, you, and your child will work together:

SCHOOL/TEACHER RESPONSIBILITIES:

Edward Gideon Elementary School will provide a safe and supportive learning environment for students. The school will provide every student with an education aligned to the PA Common Core State Standards regardless of the levels and programs that the students are enrolled in (example special education and ESOL). The school will provide access to interventions in literacy and math to support the academic levels of the students. Assessments will be given to students throughout the year to identify the strengths and weaknesses of students in their academic program.

PARENT RESPONSIBILITIES:

We, as parents, will send our children to school every day and on time. Parents will ensure that students are dressed in school uniforms and come prepared each day with supplies for school. Parents will ensure that students complete their homework each night and that they check their communication folders. Parents will ensure that their children behave appropriately in school. In an effort to ensure the academic success of students, parents will be responsive to communication efforts of the teachers and staff. Parents will be on time to pick up their children at the end of the school day.

STUDENT RESPONSIBILITIES:

Edward Gideon Elementary School students will be responsible for behaving appropriately, for attending school every day, and for arriving on time. Students will be responsible for completing their homework. Students will be responsible for adhering to the 3 school-wide behavioral expectations: Be responsible, be respectful, and be safe.
