Grade 2
Teacher: Mr. Hundermark

Room 207

Dear Parents,

It is with great enthusiasm and a heart full of dedication that I introduce myself as your child's second-grade teacher for the upcoming school year. I am a proud graduate of Temple University (2014) and currently finishing my Master of Science in Education at the University of Pennsylvania. Each day, I strive to make our classroom the intersection of educational research and best practices.

I am deeply passionate about education and committed to the success of each and every child in my classroom. It is my belief that a strong partnership between home and school is essential for your child's growth and development. Together, we can create a supportive and nurturing environment where your child can thrive academically and socially.

Throughout the year, I will strive to provide a stimulating and inclusive classroom experience that fosters a love for learning. I am excited to embark on this educational journey with your child and look forward to getting to know each of you as we work together to ensure a successful and enriching school year.

Please feel free to reach out to me with any questions or concerns you may have. Your involvement and support are invaluable, and I am eager to collaborate with you to make this year a memorable and rewarding one for your child. Thank you for entrusting me with the privilege of being your child's teacher. I am excited about the adventures that await us in second grade, and I can't wait to see the incredible growth and achievements that lie ahead.

Warm regards,
Mr. Harry Hundermark
Second Grade Teacher
