Dear Parent(s) and Guardian(s),

It is with great enthusiasm and a full heart that I introduce myself as your child's third grade teacher for the upcoming school year. I am a proud graduate of Temple University (2014) and a Master of Science in Education from the University of Pennsylvania. Each day, I strive to make our classroom the intersection of educational research and best practices.

I am deeply passionate about education and committed to the success of each and every child in my classroom. It is my belief that a strong partnership between home and school is essential for your child's growth and development. Together, we can create a supportive and nurturing environment where your child can thrive academically and socially. Please join our ClassDojo community to receive newsletters, view classroom snapshots, and engage with our daily lessons. Your child will come home with Dojo sign-up sheets this week so you can get connected as soon as possible!

Throughout the year, I will strive to provide a stimulating and inclusive classroom experience that fosters a love for learning. I am excited to embark on this educational journey with your child and look forward to getting to know each of you as we work together to ensure a successful and enriching school year.

Please feel free to reach out to me with any questions or concerns you may have via phone, ClassDojo, or through email. Your involvement and support are invaluable, and I am eager to collaborate with you to make this year a memorable and rewarding one for your child. Thank you for entrusting me with the privilege of being your child's teacher. I am excited about the adventures that await us in second grade, and I can't wait to see the incredible growth and achievements that lie ahead.

Warm regards,

Mr. Harry Hundermark, M.S.Ed
