Grade 2

Teacher: Ms. Gonzalez

Room 209

Welcome parents and students,

My name is Ms. Gonzalez; I am a mother first, I have five sons and I understand the importance of communication. I currently hold a Master's degree in education. My goal is to enhance students' learning skills and elevate their academics. I absolutely love having fun; therefore, I am thrilled to be working with your child/ren this year. I look forward to connecting with parents and families and working together to enhance your child/ren experience in the classroom.

Should you have any questions, please do not hesitate to ask. I can be reached at:
